

Permission for Verification of Qualifications

To comply with the Standard of Registered Training Organisation 2015, Schrole DEVELOP need to authenticate your qualification information provided.

To authenticate your qualifications, there are two options:

Option		Please tick your preference
A	Directly access the USI transcript online for training undertaken since 2015 Please note this option is not available for training PRIOR to 2015	OR
B	Contact the organisation that issued the statement of attainment or record of record to confirm that the document is valid	

Option A

You will need to activate the USI Registry and provide permission for Schrole DEVELOP (RTO # 1967) to access your USI details directly online

Option B

Please sign the following consent document.

I give permission for Schrole DEVELOP to contact the issuing Registered Training Organisation to verify my qualification for the following: *(please delete irrelevant qualifications)*
