

TAE40116 Certificate IV in Training & Assessment

(Release 2)
Nationally Recognised Training

What is this course about?

The Certificate IV in Training & Assessment focuses on designing and conducting training and assessment activities in the vocational industry. The learning program and the case studies/ scenarios in this course requires a minimum level of knowledge in your industry and training/ assessing in the workplace.

Who should do this course?

This qualification is suitable for people working in a training and assessment role in your chosen industry.

Those entering this program must be able to demonstrate vocational competency in their proposed teaching and assessing area. This program is ideal for participants that have been nominated by their employers to become on-the-job trainer/ assessors as they have been deemed to have suitable vocational competence/ subject matter expertise for their area of training delivery/ assessment.

How is the course delivered?

Classroom based delivery:

The Certificate IV in Training & Assessment is delivered face to face over four modules, spread over a minimum of six months to embed the application of the learning in the workplace.

Module 1 - Introduction to training and assessment: \$820 pp

Module 2 - Designing training: \$1230 pp

Module 3 - Delivering training \$820 pp

Module 4 - Plan, design and develop assessment: \$1230 pp

Full Qualification: \$4100 pp

This course can be customised and delivered onsite as an in-house program (minimum numbers apply).

Can I apply for Recognition of Prior Learning or Credit Transfer?

If you believe you may be eligible for recognition from formal or informal education or work experience you have undertaken.
